To Whom It May Concern:

During the past two years, I've had the pleasure of having American Billing Service perform the physician billing and claims processing services at the Rehabilitation Institute of Chicago.

American Billing Service has been an integral part of the success in our physician billing and collection area, and their work has been exemplary. American Billing Service has greatly improved our efficiency in this area and has provided timely and accurate reports on a monthly basis. In addition, they have provided insightful analysis to RIC and its physician practice on numerous technical and compliance-related issues.

American Billing Service has demonstrated a strong commitment to work with the Rehabilitation Institute of Chicago and to ensuring the prompt and adequate collection of its physician practice billings. My association with them has been nothing but a success thus far.

Sincerely,

Greg Ward
Vice President of Finance, Chief Financial Officer
and Treasurer - Rehabilitation Institute of Chicago
